

Millions of people today are struggling for access to high quality financial and professional services. Due to cost considerations, most people tend to resort to mass produced cookie-cutter DIY (Do it yourself) solutions that often do not address their unique challenges and needs. Not many people are even aware of the relationship between the success of their businesses /organizations and that of their communities. ATG provides a paradigm shift to this mindset by demonstrating how communities can be empowered through the provision of world-class professional services.

At ATG, we believe that reason we do what we do is more important than what we do. We believe that our clients and partners are successful because of our commitment to helping them to impact their communities. ATG takes the notion of corporate social responsibility seriously, understanding that businesses can only be as strong as the communities that support them. So with that in mind, we at ATG launched the 10 Back Program in 2010 with the goal of supporting those organizations that were instrumental in our growth. The 10 Back Program creates a partnership between ATG and community organizations. This partnership allows ATG to give back 10% of proceeds received from any clients who was referred to us by any **registered** 10Back Program community organization. Our vision is to empower communities by providing a full range of professional financial services at the most cost-effective rates that address our clients' unique challenges and needs.

We would like to thank you for stepping up to assist in this venture. To make this process easy we just ask that you remind your referrals to inform our professionals that they were sent by your organization. Please encourage them to sign in with our receptionist and fill your organization's name in on our demographic form. Once again we would like to say thank for your organizations support and we look forward to working with you for years to come.

To become a member, please **fill out this application completely** and submit it by mail or email

Definitions

Referrals: is a person who represents themselves as being referred to ATG Accountants & Advisors by a registered 10Back Program company
Referring Company/Organization: is a company or organization that has completed the membership application and is issued their referral number from ATG Accountants & Advisors.
Contract Rate: is the amount ATG charges a client to perform a service, minus any expenses incurred by ATG.

Terms and conditions

Organizations will only be paid referral fees for customers that ATG has not performed service for in the past 10 years. ATG will not be held responsible for any referral fees for anyone who neglects to identify their referring organization. All referrals must in writing state which registered organization referred them to ATG. Referrals will have the right to know the contract rate, upon request.

Payment

ATG will pay 10% contract rate to referring organization upon receipt of fee from client.
